### Cabin Adoption and Donation at Sn ow Mountain Ranch

Every cabin at Snow Mountain Ranch is donated by amazing families like you who want to provide the Snow Mountain Ranch experience for generations of families. Benefits to cabin adoption include reservation priority and having full maintenance for your cabin provided by Snow Mountain Ranch. The greatest benefit, however, is that you enable other families to experien ce Snow Mountain Ranch when you're not using your cabin. As shown on the map, sites are available for new cabin construction and existing cabins are available for renovation. Please contact SMR Center Director Trueman Hoffmeister at ext. 4101 or [thoffmeister@ymcarockies.org](mailto:thoffmeister@ymcarockies.org) for more information of cabin adoption and donation.
